

Paolo G. Marciano, M.D., Ph.D.

Chief Medical Officer, Beaumont Hospital, Dearborn

Beaumont

Paolo Marciano, M.D., Ph.D. is chief medical officer for Beaumont Hospital, Dearborn, a 632-bed tertiary care medical center that is part of Beaumont Health, Michigan's largest health care system, based on inpatient admissions and net patient revenue.

Dr. Marciano was appointed to this role at Beaumont, Dearborn in 2016. He closely collaborates with medical and hospital leadership, including its Medical Executive Committee, hospital president and elected chief of staff. Dr. Marciano is responsible for overall hospital performance and developing the vision and strategic plan for clinical activities.

An interventional radiologist, Dr. Marciano has been a member of the Beaumont, Dearborn medical staff since 2009. He most recently served as the chair of the hospital's endovascular professional practice evaluation committee, providing quality oversight. He was also a charter member of the interdisciplinary transcatheter aortic valve replacement program at Beaumont, Dearborn.

Dr. Marciano earned his medical, doctorate and bachelor's degrees at the University of Pennsylvania, where he also pursued studies at the Wharton School of Business. He completed his training in diagnostic and interventional radiology at the Mallinckrodt Institute of Radiology at Washington University.

Beaumont Health is a not-for-profit organization formed in 2014 by Beaumont Health System, Botsford Hospital and Oakwood Healthcare to provide patients and families with compassionate, extraordinary care, no matter where they live in Southeast Michigan. It consists of eight hospitals with 3,429 beds, 187 outpatient sites, nearly 5,000 physicians, more than 38,000 employees and 3,500 volunteers. In 2017, the organization had \$4.4 billion in net revenue with nearly 175,700 inpatient discharges, 574,600 emergency visits and 17,800 births. Learn more at Beaumont.org.
