

Compassionate, extraordinary care every day

2018 COMMUNITY BENEFIT REPORT

Beaumont

NEVER QUITTING TAKES COMMITMENT

A relentless will to push forward. To harness technology and pioneer new solutions.

At Beaumont, this is what not quitting looks like:

- growing our presence in local communities through new outpatient centers, urgent cares and other facilities
- construction of a new mental health hospital that will double Beaumont's current capacity for inpatient mental health care
- first in Michigan to offer proton therapy, a leading-edge cancer treatment
- first oncology rehabilitation residency program in U.S. to receive full accreditation
- first in the U.S. to replace an aortic valve with a catheter through a small incision in the leg
- consistently ranked among the nation's top hospitals by U.S. News and World Report, and honored for excellence by organizations such as Vizient and Becker's
- recognized for nursing excellence by the American Nurses Credentialing Center, with Magnet designations for Royal Oak, Troy and Grosse Pointe hospitals
- recognized as one of the top hospitals for orthopedics in Michigan and the nation by U.S. News and World Report

A LOYAL COMMUNITY PARTNER

Beaumont is dedicated to building healthier lives and communities. We invest in programs that improve the overall health and well-being of our patients, their families and our neighbors.

Investing in the community

Nearly \$330 million was invested in 2018 in programs and services that benefit the community.

Arts for the Spirit program

Through various art forms in our hospitals, this program seeks to create an environment that promotes healing and comfort.

Student Heart Check program

More than 18,000 teens have been screened through our free heart check program.

Wellness classes

Nearly 28,000 community members registered for wellness classes.

Generations Senior Program

This unique membership program for adults age 50 and better is committed to fostering positive relationships, community engagement and meeting the needs of our senior community members.

Partnerships with Healthy Communities

These programs encourage residents to lead healthier lives – and provide resources to help.

Beaumont Speakers Bureau

Doctors, clinicians and educators bring useful health information and answers directly to our community.

ABOUT BEAUMONT HEALTH

Beaumont Health is Michigan's largest health care system and provides patients with compassionate, extraordinary care, no matter where they live. As the most preferred system for health care in Southeast Michigan, we recognize the important role families provide in supporting the health, healing and well-being of patients.

 hospitals	8	 net revenue	\$4.7B
 inpatient discharges	179,237	 emergency visits	577,032
 beds	3,429	 births	17,594

Improving the quality, efficiency and cost effectiveness of health care

Beaumont is among the lowest-cost providers of health care services in Southeast Michigan and a leader in population health analytics. This allows us to identify opportunities to coordinate care and improve the health and well-being of our community.

Beaumont partners with local employers to find the path to affordable, quality health care for their employees through network and insurance offerings.

Beaumont Accountable Care Organization was named the top-performing ACO in Michigan and 5th best in the country, generating \$45.1 million in gross savings for contract year 2018.

Along with a strong primary care network, Beaumont Urgent Care and the expansion of outpatient services will provide options to handle immediate health needs that do not require emergency room care.
