

COVID-19 ASSESSMENT FOR NON-EMPLOYEES

EVERY PERSON seeking entrance into a Beaumont facility must complete a health assessment for COVID-19 symptoms and risk factors EVERY DAY before entering. Health Assessors will verbally conduct the assessment. Non-employees do not need to complete a paper form.

YES

NO

1) In the last 14 days, have you been exposed (being within 6 feet for 10 minutes without a face mask) to a person diagnosed with or suspected of having COVID-19?

2) Have you been diagnosed with confirmed or suspected COVID-19 in the past 14 days, or do you currently have a COVID-19 test pending?

3) Are you experiencing ANY of the following?

- Fever greater than 100F
- NEW flu-like symptoms like body aches
- NEW abnormal cough
- NEW shortness of breath
- NEW diarrhea
- NEW loss of taste or smell

If NO to ALL Questions:

Sanitize hands. Wear mask that covers nose and mouth. Proceed to destination.

If YES to Question #1:

Patient - Sanitize hands. Wear mask that covers nose and mouth. Proceed to destination.

Family - Sanitize hands. Wear mask that covers nose and mouth. Call appointment (outpatient) or unit (inpatient). Follow instructions.

Community (delivery persons, students etc.) - Sanitize hands. Wear mask that covers nose and mouth. Proceed to destination.

If YES to Question #2 and/or #3:

Patient - Inform they cannot enter. Call appointment destination. Follow instructions.

Family - Inform they cannot visit nor accompany patient to destination.

Community (delivery persons, students etc.) - Inform them they cannot enter. Call destination. Follow instructions.
